

Engaging and Encouraging Employees

The Federal Government's diverse and multi-generational workforce requires exceptional leadership to keep all employees satisfied with their jobs and performing optimally. This seminar helps you understand what keeps your staff engaged and offers tools for encouraging high performance to boost organizational productivity.

- Examine recent research related to employee engagement, job satisfaction and high performance.
- Learn tools and approaches for creating a more engaged and high-performing workforce.
- Use research and tools learned in the seminar, including your agency's data from the Federal Employee Viewpoint Survey (EVS), to develop action plans specific to your organization.

Use Data from the Employee Viewpoint Survey to Guide Your Efforts

Every agency is different, which is why this seminar will help you develop an action plan for keeping your workforce happy and performing at their best. In the seminar you'll use data collected from your agency's Employee Viewpoint Survey results so that you leave with a plan that is specific to your organization and immediately applicable back on the job.
