Leadership Competencies: Preparing for the Next Step

For public sector leaders seeking senior manager or Senior Executive Service (SES) positions in their agencies, it's critical to demonstrate competence and confidence as a Federal leader. This interactive course tests leaders' abilities and reinforces specific skills required of top leadership in Government today.

- Receive a benchmark of your current leadership abilities using OPM's 360-degree Competency Assessment instrument and feedback.
- Learn strategies for setting goals and improving your competence as a Federal leader.
- Create personalized action plans for ongoing development.

Determine Your Readiness for Taking the Next Step in Your Leadership Journey

This course uses the Challenge, Context, Action and Results model to help you develop a personal strategy for effectively communicating your abilities as a high-level public sector leader.
